**PRESENTATIONS**

Two presentations were given. Mr. Paul Ofori-Atta, President of MOTEC LIFE -UK, gave the first presentation on what MOTEC-LIFE UK stands for and promoted the malnutrition project being established in Jirapa. The need for examination table for the Outreach Clinic of PHU) in Nkawkaw was presented by Felicity Adu-Mills.

An appeal was made to the audience to donate towards the work of MOTEC. The chairman informed MOTEC that a couple in the church had also donated £200. Another church member is organising a dinner on the 16<sup>th</sup> of April and will donate the proceeds to MOTEC. Mr Raymond Ofori led the appeal. He also encouraged the donors to fill in the gift aid form. Some people expressed that they wanted their donation to go into the purchase of the examination table. Elder Daniel Nyadezor sold a few CDs of his music production and gave £2 off each cassette, a total of £20, to MOTEC.

At the open forum, participants were assured of responsible use of funds on the projects in Ghana.

### ENTERTAINMENT

Music was provided by Elder Dan Nyadedzor and the event ended with light refreshment. The drinks and the cookies were provided by members and friends of MOTEC. Though lots of souvenirs were on sale, not a lot were sold as was expected. The event finished by 6pm.

### EVALUATION

On the whole, the program was a success. People donated money to support MOTEC WORK. The awareness was created among the audience. Most of the people invited could not attend the program but have pledged their support. Quite a number of MOTEC members attended the event, which was really encouraging to the organiser.

### APPRECIATION

I take this opportunity to express my appreciation to all who encouraged and supported me throughout the planning to implementation of the program. My thanks go to Mr David Lewis who helped me with the pictures and posters. Big thanks go to Mr Isaac Dadzie, who through sleepless nights made a documentary for the program. To all those who played a part in the planning and implementation of the fundraising program, both MOTEC and BFC members, I salute you. Last but not the least, my gratitude goes to my family who were there for me when I needed help. At the end of the section, an

amount of £370 was realised but donations continue to come in and at present a total of £540 has been received.

Happy ending
