

## **GARY DONATES TO MOTEC WITH A SMILE**

8th December 2008.

In October, Mr Garry Merrington and his family drove to an airfield to carry out a promise he made to Mote at the Dinner Dance on 4th October 2008. True to his words, he did a skydive from 10,000 feet as his family watched, tense yet proud of the noble course. Landing was safe and most people who made pledges have honoured their pledges. At a lunch meeting today attended by Gary's Mrs Liz Merrington, Mr Ofori-Atta and his very supportive secretary Mrs Kay Bowers, Gary happily presented cheque and cash payment of £330 in Hemel Hempstead. Money will be paid into Motec account as part of the sponsorship money for Motec's Educational and clinical care programme in Ghana. Sincere gratitude from Motec and the people of Ghana to Gary and his family. Picture shows Gary delivering donation to Mr Ofori-Atta in Hemel Hempstead with Liz firmly by his side. Gary awaits final payments from a few Motec members. Official Photographer: Mrs Kay Bowers.
