

GARY TAKES MOTEC LIFE –UK TO THE SKIES

Mr Gary Merrington is performing a skydive to raise funds for Motec Life UK on Saturday 25th October 2008. Gary, an Industrial Designer Consultant made his commitment at a Dinner Dance of Motec Life – UK in Hemel Hempstead. Gary was touched by the revelation of the enormity of the task facing Motec in the sub – Saharan nation of Ghana in her quest to deliver basic health care improvements through collaboration with target hospitals in that country.

Gary will be jumping out of a plane from a height of 10,000 feet and the fall will last about 45 seconds. He disclosed that he will be performing the dive on Saturday 25th October 2008 (weather conditions permitting) at a little airfield about an hour and a half hours drive from Hemel Hempstead. The location is the Old Buckenham Airfield, Attlesborough, NR17 1PU. Telephone of the Centre is 01953 861030.

Among the cheer group will be Gary's wife Mrs Elizabeth Merrington and their three daughters. Motec Life –UK and supporters of good causes will be there to give Gary a lift. The performance is aimed at supporting Motec's educational workshops and freight of essential medical materials to Ghana and sponsorship of experts for working visits to Ghana.

Kindly support the people of sub-Saharan Africa by donating to Motec.

You may pay on line to Motec through the website www.moteclife.co.uk and click 'on support us' for account details.
