

## Heart of Gold George Digby laid to rest

An ardent supporter of Motec who lost his life on 20<sup>th</sup> April has been laid to rest. Heart of Gold George together with his wife Pat donated to Motec on regular basis over the past six years. In a highly appreciated symbolic gesture, and a true reflexion of the humanitarian heart of George, family Digby has requested cheque donations to be issued in the name of Motec Life –UK.

George! May you rest in perpetual happy and eternal peace!

Thank you Family Digby! Please stay strong!
