Margaret Copcutt, a senior official of Marks and Spencer Department Store Watford was approached by Motec’s supporter Mrs Pamela Fleming and Motec activists late last year. In February of 2010, Linda and Kay met the lovely ‘Lady Margaret’ at the Marks and Spencer’s collection point in Watford and took delivery of items which included children’s puzzles and toys in support of Motec’s ‘humanitarian collection’. Pictures above show Linda, Kay with Margaret and the donated items.

Motec wishes to thank Margaret and Marks and Spencer for the generous donation. Items will be shipped in March to Ghana for ‘patients in need’ at the children’s ward at Holy Family Hospital, Nkawkaw in Ghana. Linda, Kay and Pam also deserve our gratitude.
