

# Motec trip October 2013

Orthopaedic Trauma at Koforidua & Team spirit by Caroline Hing

# Koforidua Workshop

- Advertisement prior to workshop
- Number of attendees
- Location
- Length of the course
- Content

# Lectures

- Too much detail?
- Principals
- Techniques not available
- Audience participation
- The drums...

# Andrew lecturing

# Plaster session

- The most useful
- Would be good to use real plaster
- More detail on different types

# Paul's plaster session

# Practical sessions

- More interest
- More participation
- More stations
- More kit with power tools

# How to apply an exfix

# The awards ceremony

- Nice way to end
- Professional looking certificates
- CBD evidence
- Electronic versions of books and lectures?

# The awards...

# Boti falls

# Dinner with the Eastern regional Minister

# Dinner with the Chief

# Happy times

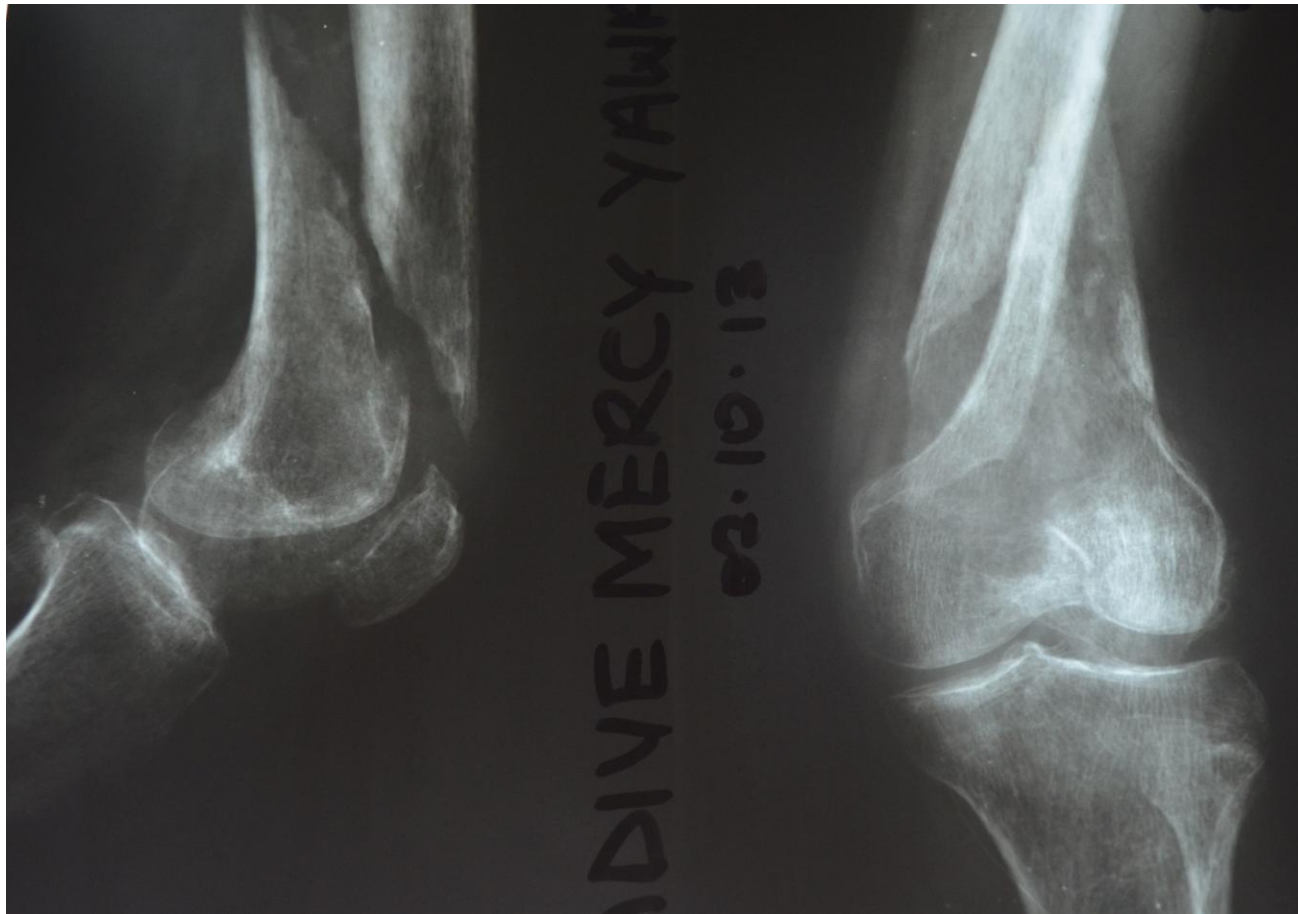

# Two days of operating

- Technically difficult cases
- Limited kit
- Operate or teach?
- Plastics support?
- Selection of cases
- Shoes & gloves
- Eye protection

# The year old fracture

# Theatre set up

Now for something  
harder...

# Chilling out

# The Slave Castle

# The tree top walk

Thank you
