

Dear Mr President,

Motec Patrons, Motec Executives,

Motec friends, Motec members, ladies and gentlemen.

I am very privileged to be elected acting Vice-president of our prestigious MotecLife UK. I can only say that I have very very big boots to fill after the passion and commitment my predecessor Mr Simon Derby showed in starting the group alongside the original executive members led by Mr Paul Ofori-Atta. I shall endeavour to make sure that your trust in me is not misplaced and that I take my responsibilities seriously.

I will do whatever is within my capabilities to promote the good name and work of all Mote Life's members and friends and give my support to the executive members.

Long may we remain the strong and committed group that we have always been and use our passion and knowledge to the advantage and empowerment of our peers in Ghana.

I ask you all to help me on this journey with your support and good will.

I take this opportunity to wish you all a peaceful and blessed Xmas

Thank you

Christine Amakye (Dr)
